

# No Grid Power... No Problem

## Technology Inside

1. Automatic change-over during power cuts
2. Digital display of system performance
3. High efficiency inverter at 93%
4. Prioritizer for back-up even on cloudy days
5. Lightning arrestors for maximum protection
6. Pre-wired for easy installation
7. Deep cycle tubular batteries for long-life

## Benefits:

- ✓ Solar for independent, reliable power
- ✓ Longer life-time than normal battery inverter system
- ✓ No hassle and fuss of buying diesel fuel, pouring and storage
- ✓ No smoke, no noise, just clean reliable power
- ✓ Price includes delivery, installation and separate wiring
- ✓ 3 free preventative maintenance visits in the first year
